Public Comments None

Leanne Brehob Riley from CCIS and Trent Pell from EagleView were in attendance. Leanne explained that Champaign County will likely contract with EagleView for certified ortho imagery and oblique imagery for the next flyover. This will affect Piatt County's costs. Trent Pell explained the differences in imagery and the differences between certified and not certified. There is a large cost difference between the two. A 6 year contract (2 flyovers) non-certified was quoted at $230,500.95, while certified imagery would be $304,420.95 for the same time period.
Beem suggested they make no decision until 911, the sheriff, and the highway department could weigh in. The committee will discuss the matter again next month.

Motion: Beem made motion seconded by Henricks to adjourn. On voice vote, 2-1 and the meeting was adjourned at 10:10 a.m.

Respectfully submitted,

Keri Nusbaum
Piatt County Zoning Officer/Board Secretary
