Directors Report

Leynes reported that a middle school student job shadowed him for a day. The LEPC has had good attendance and participation. The chair of that committee resigned, and they are working toward appointing a new one. Both Leynes and Wilhelm attended the fire association meeting and offered a spreadsheet for information for ID badges and plans for search and rescue operations in the future.

They took an 8 hour class in Champaign.

Mid Piatt Fire trustees are requesting insurance information in order for them to store the mobile command center. Leynes and Wilhelm toured the nuclear power plant with Sheriff Vogelzang and Chief Deputy Apperson. Wilhelm informed the committee that there are changes coming at the state level for EOPs and training requirements in order to stay accredited. This increase in requirements will eventually require more time and funding.

Leynes would like to get the new decals on the mobile command center and the committee asked him to get quotes.

Motion: Jones made motion, seconded by Edwards to adjourn. On voice vote, all in favor, and the motion carried. The meeting was adjourned at 9:41 a.m.

Respectfully submitted,

Keri Nusbaum
Piatt County Zoning Officer/Secretary to the County Board
